Fremont Open Studios 2025: Join the Celebration of Local Art!

Fremont Open Studios returns in 2025, inviting art lovers and artists to participate in this exciting event that showcases the creative talent of our community. Sponsored by the Fremont Art Association and Fremont Creates, Open Studios has become a cornerstone of the city's arts culture.

Building on the success of last year's event—which featured 15 studios and drew hundreds of visitors—this year aims to bring even more studios and participants together. Open Studios 2025 promises a vibrant experience, with artists across Fremont opening their doors to share their creations and stories.

This self-guided studio tour, part of the month-long Fremont Creates festival, uses a Google Maps-based platform to make navigating the event effortless. A detailed map revealing studio locations will be available at [Fremont Open Studios](#) one day before the event. Visitors can use the map to plan their routes and discover a wide variety of artwork, from painting to sculpture and beyond.

Artists, there's still time to join! Participation is just \$35 and includes a year-round online gallery of your work. The event is designed with flexibility—you can choose to open your studio on any of the event days. Sign up at [Fremont Open Studios](#) to be part of this growing tradition.

Save the dates: April 12th and 13th – Saturday and Sunday, and the 26th Saturday, from 11:00 AM to 6:00 PM. Whether you're an artist ready to showcase your creations or an enthusiast eager to explore Fremont's artistic heart, this is an event you won't want to miss.

Let's celebrate art, creativity, and community together!
